

Improving employability provision within your school is not a task you need to complete by yourselves. Across London there are many organisations and companies who provide excellent support and can be of great assistance to your school in helping improve its provision and developing bespoke business links and employer engagement visits. We have highlighted some of these below for you to help your school investigate further.

**Primary schools:**

| Organisation:  | About/Type of Support:   | Website and other information   |
|--|--|---|
| <p>Enabling Enterprise:</p> <p>is an award-winning, not for profit social enterprise set up by a group of teachers in 2008, their mission is to equip young people with the skills, experiences and aspirations they need to excel in life</p> | <p>Enabling Enterprise work with schools across England to help develop and imbed a systemic approach to enterprise education in the school.</p> <p>Working with students from 4-18 years old they can help develop bespoke provision for schools at both primary and secondary level.</p> | <p><a href="http://enablingenterprise.org/">http://enablingenterprise.org/</a></p> <p>There is a cost involved with Enabling Enterprise which varies depending on the breadth of the programme you choose to pursue.</p>  |

| <p><b>prepare young people for the world of work.</b></p>  | <p>with the educational community.</p> <p>Our mission is to assist children from less advantaged backgrounds to receive an enhanced educational experience at school and to have their personal aspirations raised, thereby increasing their employability and career options.</p> |  |
| <p>Primary Futures</p> <p>Primary Futures aims to broaden horizons and raise aspirations. By bringing in volunteers to share their fascinating life stories and the link between learning in school and the world of work, Primary Futures helps to spark young children’s imaginations of what can be achieved in life.</p> | <p>Primary Futures connects schools with people from the world of business to help deliver employer engagement sessions within Primary settings.</p> <p>They can offer a wide range of employer engagement opportunities and more advice can be found on their website.</p>        | <p><a href="https://www.inspiringthefuture.org/schools-and-colleges/primary-futures/">https://www.inspiringthefuture.org/schools-and-colleges/primary-futures/</a></p> |

As you can see, schools are not alone in this endeavour. There are many options waiting to be explored which can add real value to pupils in your school and open their eyes to the world of work.

Has your school explored working with any of these organisations? We suggest you find out!
